[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call material errors or omissions to my attention.]

State of Tennessee, Williamson County: Court of Pleas and Quarter Sessions April Sessions AD1833

On this 11<sup>th</sup> day of April 1833 personally appeared in open court now sitting before us William Johnson, Christopher E. McEwin, Gilbert Marshall justices of the court of pleas and quarter sessions held for the County of Williamson in the State of Tennessee aforesaid David Bazwell a resident of said county and state aged 74 years who being first duly sworn according to law doth on his oath make the following declaration in order to obtain the benefit of the provisions of an act of Congress passed the 7<sup>th</sup> day of June AD 1832. That he entered the service of the United States under the following named officers and served as herein stated.

I was born in Virginia Mecklenburgh [Mecklenburg] County in the year 1759 where I lived when I first entered the service substituting myself in the place of William Minor, into Capt. Green's Company. This tour was when there was a call for men to go to Norfolk, but I do not recollect the time, we were marched on towards Norfolk crossing Mahesia [Meherrin?]<sup>1</sup> River in Ottaway [Nottoway] county and had arrived near Dunwiddie [Dinwiddie] nearly 100 miles from home when we were informed the British had left Norfolk. We then returned home. I served in this tour at least half a month.

While living at the same place, I entered as a substitute in the place of one George Stanback. I was stationed at Taylor's Ferry on Roanoke [River] under a Continental Lieutenant by the name of Vowls[Vowles?]. I served thirty days here guarding the magazine. I do not recollect the year in which this tour took place from the loss of memory and distance of time.

My father then removed with me to North Carolina, Person County .<sup>2</sup> We were all numbered and classed in this county. Soon after my arrival it came to my turn to fight for my country. I entered into a company under the command of Capt. Frederick Hargas [Frederick Hargis], and Lieutenant Witherford. We marched to Hillsborough where we remained stationed guarding the General Assembly of North Carolina from invasion by the enemy. I served here until the three months, for which I had entered, expired, when I got a discharge for a tour of three months service. It was signed by the Capt. last mentioned. After this I returned home, when having remained a short while I was called upon again by lot to serve my country. I entered into a company commanded by the same officers, viz. Capt. Hargis and Lieutenant Witherford. We marched to the same place Hillsborough to guard the Assembly again. We remained here in service three months when I was discharged again by my Capt. They were both signed by Hargis.

<sup>2</sup> Person County was not formed until after the Revolutionary War in 1791. It was formed from Caswell County, which was formed in 1777 from Orange County, NC. Most likely, applicant lived in Caswell County, NC at the time he describes in his application.

I do not recollect the time when these different tours took place. I do not remember whether I got any written discharge or not in my Virginia tours. I sold one of my North Carolina discharges to Col. Murphey for fifteen shillings soon after the termination of the war. I sent the other by one Benjamin Douglass to an auction of muskets and Cartridge boxes that he might buy me a musket. He did so and gave in pay my certificate of service. I know of no person living who can prove my service as stated. My younger brother John can prove my leaving home and my returning in my different tours. I recollect of no officers except those mentioned who were with the troops where I served. While I was in my first or second tour at Hillsborough (N.C.) the battle of the Eutaw Springs [September 8, 1781] took place in which my brother Robert was mortally wounded and soon after died.

I have not any record of my age it being destroyed. I have no documentary evidence of my service. I mention John Page, David Lamb, George Moppin [George Maupin] and Jesse Warren to whom reference can be had as to my character for veracity and their belief of my service in the revolution. I know of no person who can prove my service as stated. My brother knew when I went into service and when I returned.

I hereby relinquish every claim to a pension or an annuity whatever except the present and declare my name is not on the pension roll of any agency in any state. I came to Williamson County in the state of Tennessee about 11 years ago from Person County North Carolina. I have lived in Williamson ever since and live in said county at this time.

I John Bazwell aged 62 years a resident of said county and state make oath, that I have been acquainted with David Bazwell my brother ever since I can recollect anything. I have read his declaration and have the best reason in the world to know it is true, except having seen the facts therein contained. I was too young myself to serve, but I know of my brother leaving home and his absence, and the reputation of his being in the service also of his return home. I know also that he was in the service when another brother Robert was mortally wounded at the Battle of the Eutaw Springs.
