[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' or 'undeciphered' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

State of South Carolina Fairfield District

Personally appeared before me Cornelius Nevitt one of the Magistrates assigned to keep the peace in & for the said District Moses Mobley who on being duly sworn according to law deposes & says, that he is now about 76 years of age. That he was long acquainted with Daniel Mabry a revolutionary Soldier. That he, this deponent was at the wedding of the said Daniel Mabry which took place in March 1788. That the said Daniel Mabry married the daughter of William Mobley the uncle of this deponent. The wife of the said Daniel Mabry being a near relative of this deponent, he has often spoken of & heard spoken of the date of the marriage and it thus became fixed in his memory. The marriage ceremony was performed in presence of this deponent by the Rev. Dr. William Woodward -- who died many years ago. The marriage took place in Fairfield District at the House of the said William Mobley. He does not believe that any record of the marriage was ever made, as it was not customary to do so in the family as far as this deponent knows or believes -- nor does he know of anyone else now alive that was present at the said wedding except himself. The wife of the said Daniel Mabry was named Louisa Mobley. Sworn to & subscribed before me the 28th May 1846.
