[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indcipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention.]

[This is no application in this file. The only legal document in this file is a power of attorney given in Lowndes County, Georgia, by Artaxerxes B. Norman to John M. Clarke of Washington City, DC, to prosecute Norman's claim for "my Father's Richard Norman's Revolutionary Services...." The document is dated April 16, 1856.

A handwritten signature in cursive script, reading "Artaxerxes B. Norman" followed by a circular flourish or stamp. The signature is written in dark ink on a light-colored background.

[Notes: An unsigned note in the file states "Norman died 1807"—source not cited. J. D. Lewis states: "Served under Lt. Col./Col. Peter Horry, unit and dates unknown"—http://www.carolana.com/SC/Revolution/patriot_military_sc_privates_n.htm --search for "Norman, Richard".]
