[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call material errors or omissions to my attention.]

State of Missouri, County of Ray: SS

On this the second day of May in the year of our Lord 1843, personally appeared in open Court, before the County Court of Ray County, now sitting, William Queery, a resident of the County of Ray and State of Missouri, aged eighty-two years, who being first duly sworn according to law doth on his oath make the following declaration, in order to obtain the benefit of the Act of Congress passed June 7<sup>th</sup>, 1832. That he entered the service of the United States under the following named officers and served as herein stated. That he enlisted in the Army of the United States in June (date not recollected) of the year 1777 under Captain James Barr, as a Private and as a volunteer, in the County of Mecklenburg in the State of North Carolina. The company of said Captain Barr was attached to a Regiment commanded by Colonel Archibald McDowell [sic, either Archibald Lytle or Charles McDowell, must likely McDowell?] and belonging to General Butler's [John Butler's] Brigade, of the State of North Carolina – that in eight or ten days after he enlisted in said Company, and said Company was mustered into said Regiment, he was elected Adjutant of said Regiment, and continued in the service of the United States in said capacity as Adjutant for five months, – that he was in the Battle of Stonough [sic, Stono Ferry, June 20, 1779], South of Charleston, South Carolina during this campaign. Said Declarant further states that he again entered the service of the United States as Adjutant of Colonel Martin Armstrong's Regiment, under the command of Brigadier General Rutherford [Griffith Rutherford], in the County of Mecklenburg in the State of North Carolina in the month of June in the year 1779, and continued in that service in the capacity aforesaid until after Gates defeat [Battle of Camden, August 15-16, 1780] – that he was in the Battle of Gates defeat above Camden South Carolina. And that in July 1780 he was elected Captain of a Horse Company in the Regiment of Colonel William Hill, under the command of General Sumpter [sic, Thomas Sumter] of South Carolina and that he was commissioned Captain as aforesaid by Governor Rutledge [John Rutledge] of South Carolina – and that immediately after he was commissioned, he went into active service and so continued for the space of 10 months – and that during said last mentioned service he was engaged in a great number of skirmishes. Said Declarant further states that about August 1781, he volunteered as a Private under Major Joseph Graham in an expedition to Wilmington N. C., and that he was in said service three months and a half. Said Declarant further states that he has no documentary evidence and that he knows of no person whose testimony he can procure, who can testify to his services. Said Deponent further says that he has never heretofore applied for a pension for his services in the Revolutionary War, and that his reasons for not doing so were, that he has heretofore been able to support himself and family, but that he is now too feeble and infirm to procure a living by his own industry. Said Deponent further states that while he was not employed in any civil pursuit.

He hereby relinquishes every claim whatever to a pension or annuity except the present,

and declares that his name is not on the Pension Roll of the Agency of any State.

Said declarant further states that he cannot procure the certificate of any clergyman as required for the reason that he has been in this Country but a short time and has not made such acquaintance as will authorize any clergyman to certify for him.
