Pension Application of Noah Redgway R8641

Transcribed and annotated by C. Leon Harris

[The file contains only the following report by US District Attorney W. G. Singleton, who investigated many pension applications in present West Virginia. For details see the appendix to the pension application of David W. Sleeth (S6111). Singleton's handwriting and spelling are so poor that it cannot be certain if Noah Redgway's name should be spelled "Noah Ridgeway."]
