[The following pension applications of Lydia Harris are in the file of a different William Harris of Bourbon County KY, pension application number W8893. Her deposition bears no relation to that William Harris. From the fact that her pension certificate refers to her as the widow of Sgt. William Harris, it is apparent that the papers were misfiled soon after they were received in the pension office in Washington.]

NOTES:

At the Siege of Ninety-Six, it was the British rather than Americans who were in a redoubt. William Harris or the clerk who wrote the deposition may have been confused about Greene's failed plan to blow up the redoubt.

On 21 Jan 1840 Lydia Harris deposed that "her said Husband kept no family record."
