[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indcipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention.]

State of Tennessee Hawkins County: Magistrates Office 10th July 1834

On this 10th day of July 1834 personally appeared before me Jesse Creech one of the acting The justices of the Peace in and for the County aforesaid Frederick Burket a resident of Greene County Tennessee aged 83 years old next August, who being first duly sworn according to law, doth on his oath make the following Declaration, in order to obtain the benefit of the Act of Congress, passed June the 7 1832. That he entered the service of the United States under the following named Officers, and served as herein stated: This Applicant states that he was born in Philadelphia County in the State of Pennsylvania on the 15th day of August 1750, that he has no record of his age, nor was there ever one as he knows of, but he recollects that his parents told him about his age which is as above stated. This Applicant further states that he was living in Augusta County State of Virginia when he first entered the service of the United States as a volunteer under Capt. David Bell in the year 1776 the month he does not remember that they were called out by the United States to march against the Indians, who were harassing the frontiers. That the company rendezvoused at the house of Capt. Bell, and from there were marched to Green Briar & from thence across the mountains, that they remained among the Mountains for some time without being stationed at any particular place that he is unable to state further particulars of his service, neither can he name the rest of his officers, it having been so long & he now being so old & nearly deprived of his recollection of these times, but about the time he entered the service & the length of time he served he is not mistaken for he calculates the time he entered the service by the age of his first child, & he is certain that the Term took three months the time for which the volunteers were called out. That from this expedition they returned home & were dismissed from the service without receiving a written discharge.

This Applicant further states that he again entered the service as a volunteer in the year 1780 or 81 the month he does not remember under Capt. Smith & Lieut. Christy [probably Lieutenant Robert Christian] & Col. Monford commanded the Regiment that the company to which this Applicant belonged rendezvoused at Santon [sic, Staunton?] & from thence the Regiment was marched across Little Deep River & Dan River & the High rock Ford & on to Guilford way her under the command of General Greene they fought the Battle of Guilford in which battle he was wounded in the neck by a Musket Ball, from the Battle of Guilford they marched to the Troublesome Iron works & from thence home that he never received a written discharge from the service. This Applicant further states that this Term of service lasted three months. This Applicant further states that his father was named Frederick Burket & served

before the revolutionary War against the Indians, but that all his service was during the Revolutionary War. This Applicant further states that he hired substitutes for the term of 18 months during the war for which he is advised he cannot draw. This Applicant further states that he is now 83 years old or nearly so, & that he is very infirm on account of which he is unable to attend Court & his memory is very much impaired so that he is unable to relate a great many circumstances of his services, & has forgotten some of his Officers, but as to the length of his services he can recollect which is not less than above stated making in all six months & for such service he claims a pension. He further states that he cannot name any regular or Continental forces in the service with him. This Applicant further states that he has no documentary evidence of his services. He further states that the reason he applied in Hawkins County is that he lives near the line & that the nearest Magistrate to him lived in Hawkins & he is unable to go far & that he is as well known in Hawkins & Greene County. This Applicant further states that he never received a Commission. He further states that he has lived since the Revolutionary War in Virginia & Tennessee & does now live & has lived in Tennessee for the last 25 years. This Applicant further states that there is no Clergyman in his neighborhood & that he knows of no one now living by whom he can prove his services but that he is well known in his present neighborhood to William Keel and John Roden -- who can testify to his character for veracity & their belief of his services during the Revolutionary War. He hereby relinquishes every claim whatever to a pension or annuity except the present, & declares that his name is not on the pension Roll of the Agency of any State or (if any) only on that of the Agency of the State of Virginia.
