[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indcipherable' or 'undeciphered' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

The State of Ohio

Personally appeared before the subscriber Judge of the Supreme Court of Ohio, Robert Hunter of Warren County Ohio who being duly sworn, states that in the year 1775 or 6 he enlisted for fifteen months in the South Carolina line on Continental establishment in the 5th Regiment commanded by Colonel Eugee [sic, Isaac Huger] and in the company commanded by Captain Tutt [Benjamin Tutt] – that he continued to serve the whole of the above term in the Army of the revolution, and at the end of fifteen months was regularly discharge – his discharge he has since lost. The said Robert Hunter further states that he knows of no person in this Country, by whom he can prove the above service. That he is sixty nine years old, extremely infirm and so reduced in his circumstances, as to require the aid of the government, of whose assistance he stands in need. He applies for a pension under the law of the last session of Congress, providing for those who served nine months or more in the Army of the revolution and whose needy circumstances require aid from the government.

Sworn and subscribed before me this 29 May 1818
