[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call material errors or omissions to my attention.]

Regiment in the service of the United States on the Continental establishment during the revolutionary war later than the year 1780; nor are there any pay or muster rolls in this office or elsewhere to my knowledge of any company belonging to said Regiment, commanded by Captain McCannon. And this office furnishes no evidence that the petitioner Abraham wiles ever belonged or served in the said Regiment other than the paper writing of which a true copy is here with transmitted to the War Department, and which paper writing is dated "March 1<sup>st</sup> 1782" and signed "W. McKennan Captain, D. R.": – From which it would appear that a person by the name of "Abrm Wiles" was reenlisted in the said Regiment in the year 1781 and belonged there to on the first March 1782; but at what time of the year 1781 he was enlisted or how long he served therein does not appear. Upon which occasion or for what purpose the paper writing was made I do not know: it is unconnected with any other which tends to explain it otherwise than as it contains the name of a great many persons known to have been soldiers in the aforesaid Regiment and whose names are in the pay rolls thereof.
