State of North Carolina, Mecklenburg County } On this 14th day of November 1832  
personally appeared in open Court, before the Judge of the Superior Court of Mecklenburg  
County now setting Samuel Wilson a resident of said County & State, aged 82 years who being  
first duly sworn according to law, doth on his oath make the following declaration, in order to  
obtain the benefit of the act of Congress passed June the 7th 1832. That he entered the service of  
the United States, under the following named officers and served as here in stated, being a part of  
the time in the militia and a part in regular service. His first tour was for six months, against the  
Cherokee Indians, as Captain, in regiment commanded by Cols Alexander and Phefer [Phifer],  
and Major John Davidson, the year he cannot now distinctly recollect. He then enlisted for  
twelve months in the regular service under Capt Ezekiel Polk, 1st Lieut. Samuel Watson, 2nd  
Lieut. William Polk, he thinks, in the year 1777, but was discharged at the expiration of eight  
months. He then served a time of three months under General Sumter of South Carolina in the  
regiment commanded by Col. Thompson [William Thomson] of South Carolina and known as  
Col of the rangers. He then, in the year 1779 or 1780 entered and served a tour of three months  
under General Sumter of South Carolina. He then in the year 1780 served a tour of three & half  
months as Issuing Commissary under Col. Williams some forty or fifty miles north or northeast  
of Guilford Courthouse in N. C. [where] we joined General Greene, making in the whole twenty  
and a half months of which I distinctly remember. He has no documentary evidence and but one  
living witness within reach (David Davis whose deposition is herewith appended) that can be  
obtained. He was born in Virginia, and was brought to Mecklenburg County as he has been  
informed by his parents at the age of 3 months, about the year 1750, where he now and has since  
the revolution resided. He hereby relinquishes any claim to a pension and annuity except the  
present and declares that his name is not on a Pension Roll of the agency of any State. Sworn to  
& subscribed, the day & year aforesaid

State of North Carolina Mecklenburg County: Amendatory of the declaration of Samuel Wilson of Mecklenburg County North Carolina for a pension under the Act of Congress of June 1832 made the 14th of November 1832. – That from old age & consequent loss of memory he cannot, with certainty state the year of his service to the Cherokee Nation but, then, believed to be 1777. Since, when he learns from James Conner who was with him in the same service that it was in the year 1776. He was commissioned by Colonel Adam Alexander, who was attached to & belonged to the Brigade Commanded by General Rutherford. His commission has been lost or mislaid, remembering distinctly, that he received a commission from Colonel Alexander, but at the time of preparing my declaration, did not then remember that both James Conner and Thomas Alexander of the same County, was with me on the Cherokee expedition. The eight months tour under Colonel Thompson which was in the Horse and in the three & a half months tour as regimental quartermaster known to James Conner, under whom I was acting – The three months service under General Sumter I have nor know of no living testimony: the date, as given by myself is as James Conner remembers the year to be 1780. Below will be found the depositions of James Conner & Thomas Alexander & the deposition of David Davis,<sup>1</sup> was sent on in his declaration to the Department & supposed to be there now, proving his service to the Cherokee Nation, & his acting as Captain.

Sworn to & subscribed this 27th day of November 1833.
