[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call material errors or omissions to my attention.]

[p 8]

The State of South Carolina

To the Honorable the President and members of the Senate of the said State.

The Petition of John Busby respectfully sheweth That he entered the army of the Revolution in the Militia of this state in the early part of the year 1779, on Savannah River under Captain Daniel Green, under whom and Captains Benjamin Matthews, John Sapp, \_\_\_ Ferguson and Joseph Johnson, he continued to serve until the close of the war, during which time the company to which he belonged was engaged principally in Suppressing the Tories in South Carolina and Georgia, and served at the siege of Augusta---that your Petitioner being a colored man, the duty generally assigned to him was to remain with and protect the baggage and provisions of the company, and although he was a regular enlisted Soldier, it so happened that the discharge of his other duties prevented his taking a part in any important engagement, he was

however always ready and willing to discharge any duty that his offices might impose on him, and never shrunk from the performance of any duty, yet he never received a wound. That for his services which he flatters himself were important to his country, he never received any compensation whatever. That he is poor, old and infirm and no longer able to work for his support.

Your Petitioner therefore prays that he may be placed on the Pension list and thereby kept free from absolute want for the short period he has to live.
