[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indcipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention.]

[Note: There are 2 claimants by this name included in the South Carolina Audited Accounts. One of the claimants is referred to as Shadrach Chandler Junior. On the assumption that this nomenclature indicated that claimant was the younger of the 2, I assigned his service to Shadrack Chandler S31606 on the assumption that he was most likely to have lived long enough to make a claim under the 1832 act. Use with caution.]

[p 4: Very poor quality image of a document which appears to me to be an assignment by Shadrack Chandler to Colonel John Lindsey of all of his right, title and interest in the Indent due him. The document is dated January 9th [?] 1786 and signed by Shadrach Chandler with his mark. The document is attested by Levi Casey as a justice of the peace]
