[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention.]

[p 3: Printed form of Indent No. 83 Book A dated 29th June 1792 “delivered to Bartholomew Chives this Indented Certificate, for the Sum of Forty Six Pounds seven Shillings and One Penny Sterling being for Nine Months and Twenty-eight days Duty as a private from the Twenty Second day of September 1781 to the Twentieth Day of July 1782 in Colonel Peter Horry’s Regiment of Cavalry.”]

[p 4: What appears to be the reverse of the above Indent bearing only the following:

Witness

S/ Charles Crowley

S/ W. R. Davis

The image shows two handwritten signatures in cursive ink. On the left, the signature reads "Charles Crowley" with the word "Witness" written above it. On the right, the signature reads "W. R. Davis". The signatures are written on a document with some faint, illegible text visible in the background.

[p 5]

Thomas Williams claim for Bartholomew Chives not to be allowed but in presence of Captain Wm R. Davies who has an order

This is also claimed by Wm Murrell & Wm R. Davis – the within claimant has provided Colonel P. Horry’s certificate dated 1st March 1783. [Indecipherable word or words] memorandum by the Board

Captain Wm R. Davis says his order is genuine

[2 lines of text indecipherable except for occasional word rendered irrelevant for lack of context]
