[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call material errors or omissions to my attention.]

[p 2: Printed form of Indent No. 276 Book M dated October 1<sup>st</sup>, 1784 “delivered to Mr. Mainyard Colley late Private in Captain Barnett’s [Jacob Barnett’s] Troop H Hampton’s [Henry Hampton’s] Regiment Sumpter’s [Thomas Sumter’s] Brigade this our Indented Certificate for the Sum of Ninety four pounds Sterling [text too faint to discern] pay and Bounty due him for Service in that Troop together with Interest thereon from first of April 1782 to date hereof Agreeable to Resolution of General Assembly of Eleventh March last.”]

[p 3: Reverse of the above Indent bearing endorsements by Peter Bocquet, Commissioner of the Treasury and Thomas Sumter Junior. There is no endorsement by the veteran and there is no explanation of how Bocquet or Sumter acquired an interest in the Indent.]

[p 4]

Received [illegible] November 1793 from General Thomas Sumter one Indent Issued to Mainyard Colley for eighty-six pounds 10/8 with all the interest due thereon, the same being attached in his hand as Garnishee of the said Colley.
