[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indcipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention.]

[p 2: Printed form of Indent No. 2102 Book X dated January 21st, 1788 “delivered to Mr. Samuel McCleary this our Indented Certificate for the Sum of Twenty-two pounds nine Shillings & ten pence Sterling Special Bounty and arrears of Cloathing served in Sumter’s Brigade per account from Commission him for Adjusting claims against said Brigade.”]

[p 3: Reverse of the above Indent bearing only the endorsements of William Alexander, John Elliott and Daniel D’Oyley (State Treasurer). How these gentlemen obtained an interest in the Indent is not disclosed by the documents in this file.

The image shows three handwritten signatures in cursive script, stacked vertically. The top signature is 'Wm Alexander', the middle is 'John Elliott', and the bottom is 'Daniel D'Oyley'. The signatures are written in dark ink on a light background. The bottom signature is partially cut off by a bracketed closing tag ']' on the right side.
