[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call material errors or omissions to my attention.]

[p 2: Printed form of Indent No. 2096 [last digit unclear could be 2098] Book X dated 21<sup>st</sup> January 1788 "delivered to Mr. Alexander Kennedy this our Indented Certificate for the Sum of Twenty-four pounds Seventeen Shillings and Two pence Sterling arrears of Cloathing in Sumter's [Brigadier General Thomas Sumter's] Brigade per Certificate of the Commissioners for adjusting the Claims against said Brigade."]

[p 3: Reverse of the above Indent bearing, among others, the following endorsement:

April 16<sup>th</sup> [could be 10<sup>th</sup>] 1788 I endorse the within Indent to Mr. John Cunningham it being for Value Received by Me as Witness my hand  
S/ Alexander Kennedy

April 16<sup>th</sup> 1788 I endorse the within Indent

Value Rec<sup>d</sup> by Me as Witness my hand

[p 4: Printed form of another Indent but the number and book cannot be determined as a result of the extremely poor image of this document as posted online. It was "delivered to Mr. Alexander Kennedy this our Indented Certificate for the Sum of Twenty pounds [illegible] Shillings and three pence Sterling Services as assistant Saddler in Sumter's Brigade per certificate from Commissioners for Adjusting claims of that Brigade."]
