[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention.]

[p 2: Printed form of Indent No. 649 Book M dated fourth October 1784 "delivered to Mr. Henry White late Saddler in Sumpter's [Thomas Sumter's] Brigade State Troops this our Indented Certificate for the Sum of Ninety-four pounds Sterling being amount pay and bounty due him for Services in that Brigade with Interest thereon from the first April 1782 to date hereof Agreeable to Resolution of General Assembly of the Eleventh March last."]

[p 3: Reverse of the above Indent with several endorsements including the following:

Charleston 7th of February 1788 I assigned over all my right and title to the within Indent to Mr. Francis Ley

S/ Henry White

A handwritten endorsement in cursive script, enclosed in a rectangular border. The text reads: "Charleston 7th Feb 1788 I assign over all my right and title to the within Indent to Mr Francis Ley Henry White". The signature "Henry White" is written in a larger, more decorative cursive at the bottom right of the endorsement.
