Transcribed and annotated by Will Graves 7/18/20: rev'd 9/30/22 & 1/7/23

[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indcipherable' or 'undeciphered' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

To the Honorable the President & Others the Honorable Members of the Senate of the State of  
South Carolina

The humble petition of and Jackson in favor of her son John Jackson Deceased  
Sheweth t

That your Petitioner's son (the said John Jackson) entered as a Soldier in Captain  
Jacob Fitzpatrick's Company in the State Troops Commanded by General Sumpter and that your  
Petitioner after the said John Jackson was killed made Application for his Indent, found that his  
name was not returned, which must have happened through some neglect of his Officers.  
Afterwards your petitioner applied to General Sumpter who informed her that he as a  
Commissioner could not grant the Indent, without an order from the House of Assembly &

promised to procure her one, upon which your petitioner rested Satisfied, but since General Sumpter has gone to Congress<sup>2</sup> and your Petitioner thinks that he must have forgot to procure the order and your petitioner now prays that an order for the said John Jackson's Indent may be granted, which now lies in General Sumpter's office.

And your petitioner shall ever pray

S/ Ann Jackson, X her mark
