[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indcipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call material errors or omissions to my attention.]

Virginia Brunswick County This day came before me Cracy Scout [?],<sup>2</sup> formally by the name of Cracy Gregory, and made Oath that Thomas Gregory a Lad that moved from this State to the State of North Carolina was her son, and only son, and that I am the heir of said Thomas Gregory which I was informed that Enlisted under one Captain Ross [Isaac Ross] for to serve ten months in General Sumpters [Thomas Sumter's] Brigade in the State of South Carolina for which service he was promised a likely Negro. Given under my hand this 24<sup>th</sup> day of October 1785

Virginia Brunswick County – This woman is in very Indigent Circumstances; and being credibly informed that Thomas Gregory is dead and left a small Property to her She takes this method to endeavor to get what her son was left her by sending by John Ezell an order, whose receipt will be good, for the delivery of it, There is no doubt but the said Thomas Gregory was her son & I think it would be a deed of Charity done by every well disposed person that will assist the said John Ezell in every Lawful way to get the above property if there be any such to be found
