[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention.]

[p 3: Printed form of Indent No. 2077 Book X dated December 12, 1787 "delivered to Mr. Hugh Hays this our Indented Certificate, for the Sum of Six pounds fifteen Shillings & eight pence Sterling arrears of Cloathing for Service in Sumter's Brigade per Certificate from the Commissioners for Adjusting the Claims against said Brigade."]

[p 4: Reverse of the above Indent bearing endorsements by Jonas Clark, Thomas Nicholls and Hugh Hays.

[Note: this veteran is listed on the roster of Captain Nathaniel Martin as a private in Martin's Regiment of ten months State Troops in the South Carolina light dragoons. The man serving in the brigade of 10 months troops were to be paid in Negro slaves ["Sumter's Wages"] confiscated from the Tories. Only 2 men who served in Martin's company actually received such compensation.]
