[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' or 'undeciphered' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

[p 3: retake of p 2: Printed form of Indent No. 545 Book Y dated December 14th, 1785
"delivered to Mr. William Easton this our Indented Certificate, for the Sum of Ten pounds
seventeen Shillings and nine pence Sterling for Seven months pay as a private in the second State
Continental Regiment in 1779 and 1780 as per Account audited on which no Interest is allowed
until one years [word or words too faint to discern]."]

[p 5: retake of the reverse of the above Indent bearing, among others a very faint endorsement
which is dated April 27th, 1787 and appears to be an assignment from William Easton to
Sampson Simons of all his right title and interest in the Indent. The following is the signature of
the veteran:

In addition there are endorsements signed by Sampson Simons and
Montague Simons
