South Carolina Audited Accounts¹ relating to Stephen Elmore [Ellmore] SC2611 pp8
Audited Account No. 2220

Transcribed by Will Graves 1/11/21

[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' or 'undeciphered' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

[p 5: Printed form of indent No. 2505 Book X]

[pp 6 & 7: Reverse of the above Indent bearing an endorsement which appears to read as follows:

I Indorse the Within Indent to Thomas Walloughby Waters [?] for Value Received this 18th day of September 1787

S/ Stephen Elmore

A scan of a handwritten endorsement on a document. The text is written in cursive and reads: "I indorse the Within Indent to Thomas Walloughby Waters for Value Received this 18th day of Sept 1787". Below the text is a signature that appears to be "Stephen Elmore". The document is heavily speckled and has some dark spots, possibly from ink or damage.

[p 8: Is a claim by a Stephen Elmore listing supplies provided to the militia and horses and other equipment impressed for military use. The claim is stated December 27, 1778 and signed as follows:

A handwritten signature in cursive that reads "Stephen Elmore". The signature is written in dark ink on a light background.

Whether or not this is the same man as the Stephen Elmore who filed for compensation for his military service cannot be determined by the documents in this file.]
