[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' or 'undeciphered' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

[p 2: Printed form of Indent No. 3805 Book X dated September 25<sup>th</sup>, 1786 “delivered to Richard Friar this hour Indented Certificate for the Sum of Twenty pounds fourteen Shillings and eight pence Sterling [for] duty as a Horseman per Account from the Commissioners.”]

[p 3: Reverse of the above Indent bearing a very faint endorsement signed by the veteran which appears to be an assignment of the Indent by the veteran to Captain Vardry McBee. The veteran's signature appears as follows:

A handwritten signature in cursive script that reads "Richard Friar". The signature is written in dark ink on a light-colored background.

The reverse also contains an assignment by Vardry McBee of his interest in the Indent to Isaac Chapman. Vardry McBee was a captain in the Spartan Regiment of South Carolina militia serving under Colonel Benjamin Roebuck.]
