[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' or 'undeciphered' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

[p 2: Note: The Coversheet for this claim as posted online is illegible]

South Carolina York County} I do hereby authorize and empower John Fearis [?] To Receive my

S/ Christopher McCarter

To the Commissioners of the Treasury

[p 3: Note: this document also is mostly illegible as posted online. What I think I can extract from it is that the veteran claimed service for 30 days duty at 20 old South Carolina shillings per day and 30 days service at 10 shillings per day totaling £45 in old South Carolina currency or £6.8.6 ¾ Sterling. Twenty shillings per day was the pay rate for a mounted militia man providing his on horse and ten shillings per day was the pay rate for a militia man serving on foot.]

[p 4: Printed form of Indent No. 308 Book L dated October 16th, 1784 "delivered to Mr. Christopher McCarter this our Indented Certificate for the Sum of Six Pounds Eight Shillings and Six Pence three farthings Sterling for 60 days Militia duty in 1780 and 1782 as per Account Audited."]

[p 5: Reverse of the above Indent bearing, among others, the following endorsement:
I do sign over the within Indent onto Richard Whitaker
