[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' or 'undeciphered' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

[p 15]

To the Honorable John Lloyd Esquire President and the other  
Members of the Honorable the Senate house of the State of South  
Carolina

The Petition of Daniel Greene [sic] humbly Sheweth

That your Petitioner duly served in the Militia in the Year 1779 – 1781  
and 1782 and his account for his said services were passed by the Auditor General and amounted  
to £51.1.5 Sterling. That he left his accounts so audited with the Commissioners of the Treasury  
as a resource for paying the fees of Office due to Land taken up by your Petitioner. That some  
Person unknown fraudulently personated [sic impersonated] your Petitioner and received an  
Indent of the Commissioners in his stead & name in satisfaction of his said Accounts. That the  
Commissioners of the Treasury are convinced of the fraud and the Great Injury resulting to your  
Petitioner in being thus deprived of his hard earned pay but refer him to this Honorable House  
for redress.

Your Petitioner therefore prays this –  
Honorable House to take his Case into consideration and hope that they will generously direct  
the Commissioners to give him an Indent in the above amount.
