[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' or 'undeciphered' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

[p 2: Printed form of indent No. 657 Book V dated September 13, 1785 “delivered to Mr. John Rawls this our Indented Certificate, for the Sum of Three Pounds fifteen Shillings & eight Pence Stg. [Sterling] for Militia Duty in 1779 as per Account Passed by the Commissioners.”]

[p 3: Reverse of the above Indent bearing only endorsements by John Fenwick whose signature appears below. The documents in the file do not disclose how John Fenwick acquired an interest in the Indent.

A handwritten signature in cursive script, appearing to read "John Fenwick". The signature is written in dark ink on a light background. To the right of the signature, there is a small, faint bracket-like mark.]
