[Note: I can tell that this man filed a claim for service in the South Carolina militia or Continental line but the quality of the images of the documents posted online is so poor that none of them can be read. If anyone has legible copies of this man's claim, please consider sharing it with me so that his service can be properly acknowledged and included in this database. From what little I can discern of the claim, this is not the same man as [William Hadden W7697](#) who was a private in the 1<sup>st</sup> Regiment of the South Carolina Continental line.]
