South Carolina Audited Accounts¹ relating to Lewis Haguewood (Hagood) SC3489 pp9
Audited Account No. 3208

[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' or 'undeciphered' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

[Note: All of the images of the documents in this file are very poor. From what I can discern, the veteran is alternately referred to as Lewis Haguewood, or Lewis Hague Wood, but Bobby Gilmer Moss in his Roster of South Carolina Patriots in the American Revolution list him as "Lewis Hagood." He was granted an Indent dated July 1785 in the amount of £8.4.3 ¼ for service in Col. Thomas Taylor's Regiment but I cannot determine the number of days or nature of his service from the documents posted online. The only legible documents in this file appears on are transcribed below.]

[p 5]

July the 5th 1784, I have this Day received from General Richard Winn, the full Value of my Account against the Public now lying in the Auditor's Office for auditing and afterwards to get an Indent for the same, from the Treasury, and I do request the Commissioners of the Treasury of the State of South Carolina, to make out the Indent for the same with the Interest pursuant to the Resolve of the Legislature in that Case, to him, the said Richard Winn, and to accept this as a Receipt in full against the Public for the said Account.

S/ Thomas Baker, JP

S/ Lewis Hague Wood, I his mark

[p 5: Has a note that appears to read: "from the 5th July to [illegible] Sept. 1781 Inclusive." These **MAY** be the dates of the veteran's service under Col. Taylor.]

[p 7]

Received full satisfaction for the Within in an indent No. 333 – Z by order

S/ Richard Winn
