[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' or 'undeciphered' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

¹ The South Carolina Audited Accounts (AAs) are now available online at <http://www.archivesindex.sc.gov/>. To find the AA for a specific person, click on the [Just take me to the search page](#) link, then enter the person's surname first in the "Full name" box followed by a comma and the person's Christian name. The "SC" file number shown on this transcript has been assigned by the administrator of this website for indexing purposes only and is not an officially recognized file number. The number behind the 'pp' indicates the number of pages in the file and the 'Audited Account No.' is the actual Account Number assigned by the South Carolina Archives.

[Note: The images in this file are illegible as posted online and as illustrated by the example above. What little I can discern appear to document a claim for service in the South Carolina militia as follows:

1. Beginning June 28th 1781, 14 days service on horseback at 20 shillings old SC currency per day
2. Beginning October 15th 1781, 70 days on foot at 10 shillings old SC currency per day.
3. 1782 [month illegible], 40 days service [type of service undeterminable from the image above]
4. June 26th 1782, 61 [could be 41] days service [undeterminable]

The claimant attested to his claim in Camden District South Carolina.]

[I made this attempt to extract what little information I could in order that this veteran's service should not go unnoted by history. There is an Indent No. 46 Book N issued January 15th, 1785 to Mr. Mathew Hayes for Twelve Pounds fifteen Shillings and Eight Pence half Penny Sterling for Duty done in the Militia in 1781 and 1782. This MAY relate to this same claimant. Bobby Gilmer Moss in his SC Roster thought that it did relate to this claimant. Bobby Gilmer Moss. *Roster of South Carolina Patriots in the American Revolution*. Baltimore: Genealogical Publishing Co., Inc., 1983, p 429. Bobby listed his name as Mathew Hayes.]
