[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indcipherable' or 'undeciphered' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

I Indorse over my Right & title of the Within Indent full Value Received to Henry Wolf as Witness my Hand this 11th Day of December 1787

S/ Daniel Murphey

Henry Wolf signed with his mark in what appears to be a foreign language, as shown below:

³ Daniel Murphy is listed by JD Lewis as being a Captain in Col. William Hill’s Regiment of Light Dragoons.
https://www.carolana.com/SC/Revolution/patriot_military_sc_captains.htm

To my amateur eye, the signature of Captain Daniel Murphey appears to me to be the same as that of private Daniel Murphy appearing above with the exception that the captain added an ‘e’ before the ‘y’ in his surname, something the private never did.
