[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' or 'undeciphered' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

[p 2: Printed form of Indent No. 149 Book O dated April 1, 1785 “delivered to Mr. John Jagers this our INDENTED CERTIFICATE for the Sum of twenty two pounds five Shillings and Eight Pence half penny Sterling for One hundred and forty days duty as a horseman in the Militia in 1780 and 1781. And for three hundred and twenty pounds Beef per Account Audited &c.”]

[pp 3 & 4: Reverse of the above Indent bearing endorsements by Richard Winn, Charles Goodwin, William Robinson and Stephen Wayne. How these men acquired an interest in the indent is not disclosed by the documents in this file. The signature of Richard Winn is that of Colonel Richard Winn of the South Carolina militia and appears as follows:

A handwritten signature in black ink, appearing to read "R. Winn", enclosed within a white rectangular border with a slightly irregular, hand-drawn appearance. The signature is written in a cursive style with some flourishes.

¹ The South Carolina Audited Accounts (AAs) are now available online at <http://www.archivesindex.sc.gov/>. To find the AA for a specific person, click on the [Just take me to the search page](#) link, then enter the person's surname first in the "Full name" box followed by a comma and the person's Christian name. The "SC" file number shown on this transcript has been assigned by the administrator of this website for indexing purposes only and is not an officially recognized file number. The number behind the 'pp' indicates the number of pages in the file and the 'Audited Account No.' is the actual Account Number assigned by the South Carolina Archives.
