[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' or 'undeciphered' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

The Committee on pensions to whom was Referred the petition of Daniel H Keer administrator of Major Joseph Keer Deceased, praying for the arrears of pension due to the deceased Major Joseph Keer

Report that they have had the same under their consideration and recommend that Daniel H Keer be paid the arrears of pension that the Comptroller General may find would have been due the said Major Keer deceased at this time.

S/ E. Benbow Chair

[Note. Unfortunately neither the petition for the arrears nor the petition for the granting of the initial pension are among the documents in this file. To date (March 20, 2023) I have not found any reference to an officer by this name among the documents relating to South Carolina veterans of the Revolutionary War.]
