Audited Account No. 4211A

[Transcribers Note: The documents in this file indicate that James D. Mansfield filed a petition to obtain the arrears of pension due to Thomas E Kelly at the time of his death and that the legislature approved the payment to Mansfield of \$35 in] satisfaction of his claim.

Unfortunately, the file does not contain the petition by Mansfield or any other documents indicating the nature of the services rendered by Thomas E Kelly. The only date I could find in the documents was December 10, 1852 being the date of a resolve by the Senate concurring in the report of the committee on pensions recommending the payment of the arrears.

¹ The South Carolina Audited Accounts (AAs) are now available online at <http://www.archivesindex.sc.gov/>. To find the AA for a specific person, click on the [Just take me to the search page](#) link, then enter the person's surname first in the "Full name" box followed by a comma and the person's Christian name. The "SC" file number shown on this transcript has been assigned by the administrator of this website for indexing purposes only and is not an officially recognized file number. The number behind the 'pp' indicates the number of pages in the file and the 'Audited Account No.' is the actual Account Number assigned by the South Carolina Archives.
