South Carolina Audited Accounts¹ relating to John Moore SC4657 pp 72
 Audited Account No. 5324

Transcribed and annotated by Will Graves 5/7/23

[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' or 'undeciphered' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

¹ The South Carolina Audited Accounts (AAs) are now available online at <http://www.archivesindex.sc.gov/>. To find the AA for a specific person, click on the [Just take me to the search page](#) link, then enter the person's surname first in the "Full name" box followed by a comma and the person's Christian name. The "SC" file number shown on this transcript has been assigned by the administrator of this website for indexing purposes only and is not an officially recognized file number. The number behind the 'pp' indicates the number of pages in the file and the 'Audited Account No.' is the actual Account Number assigned by the South Carolina Archives.

² The Indent bearing this number was actually issued to William Moore for £33 for militia provisions. I can't explain the discrepancy. There was an Indent dated June 14, 1855 issued to Messrs. John & Samuel Moore in No. 554 Book R for £101.2.10. I believe this to be the true reference for the indent issued on this claim.

³ This was the per diem pay rate for a mounted militia man providing his own horse and equipment.

⁴ Either James Wallace of the New Acquisition District Regiment or, less likely, John Wallace of the Little River District Regiment.

⁵ This is probably a mistake in the 'surprise' is almost always a reference to the Battle of Fishing Creek August 18, 1780 instead of the Battle at Fish Dam Ford on November 9, 1780.
