South Carolina Audited Accounts¹ relating to John Knight SC4723
Audited Account No. 4355

[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' or 'undeciphered' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

[Note: For some reason, Bobby Gilmer Moss in his South Carolina Patriots book listed the following claim as relating to [John Knight R6026](#). However, it is clear to me that that attribution is incorrect in that the following claimant based his claim on service under Capt. John Garvin of the Granville County Regiment who served variously under Col. Benjamin Garden and Lt. Col. William Harden prior to the fall of Charleston on May 12, 1780, and then under Col. William Harden in the Granville County Regiment thereafter. [John Knight R6026](#) does not claim to have ever served under any of those officers.]
