South Carolina Audited Accounts¹ relating to James Bennet SC507 AA9

Audited Account Microfilm file No. 444B

Transcribed by Will Graves

[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention.]

[p 8: Form of Indent No. 82, Book M dated October 1st, 1784 issued to Mr. James Bennett in the amount of £94.0.0 Sterling for balance of pay and bounty due him for service under Col. Samuel Hammond. The image is very faint and the entire text of the explanation for the Indent's issuance to Bennett is not legible.]

[p 9: the reverse of the Indent bears the following:]

I do hereby Assign to Mr. Abner Hammond the within Indent and Interest this 27th day of July 1785
