[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention.]

Please to deliver to Mr. Benjamin Wright my public Indent and oblige Yr. Mo. Hbl. St.
S/ Wm Berry, X his mark

[p 9: Form of Indent No. 117 Book X—very faint]

[p 10:Reverse of the Indent. It bears the following endorsement]

I do assign over Unto Michl. Russell the contents of the within Indent being Two pounds
Eighteen Shillings & Eleven pence Witness my hand this 26th August 1785

A handwritten signature in cursive script, appearing to read 'Wm Berry', written in dark ink on a light background. The signature is somewhat faded and has a slightly irregular, historical appearance.

][Question: Why would Berry sign with an X on one document and with his signature on another. I suspect the assignment is signed by someone on behalf of Berry as the handwriting appears to me to be the same as the body of the assignment.]
