[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention.]

[p 2: [very poor image] Printed form of Indent No. 20 Book K dated September 4, 1784
“delivered to Mr. Moses Brunson this our Indented Certificate for the Sum of Two pounds
fourteen shillings and eight pence Sterling for seventy-one days Militia duty done in General
Marion’s [Francis Marion’s] Brigade in 1782 per Account Audited....”]

[p 3: Reverse of the above Indent bearing signatures of Thomas Andrews on behalf of Thomas
Sumter, Thomas Sumter, Thomas Andrews, John Reynolds and Jacob B. [Indecipherable] as
follows:

The image shows four handwritten signatures in cursive ink. The first line contains three signatures: 'Thos Andrews', 'Thos Sumter', and 'John Reynolds'. The second line contains one signature: 'Jacob B. Sumter'. The signatures are written in a fluid, cursive style typical of the late 18th century.

How any of these men obtained and interest in the Indent is not
disclosed by the documents in this file.]
