Pension application of John Faucheraud Grimke¹ W11088 Mary Grimke f44SC
Transcribed by Will Graves 9/29/08 rev'd 11/9/15

[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention.]

State of South Carolina, City of Charleston

On this 19th day of September 1839 personally appeared before me Thomas Lee Judge of the District court of the United States for the District of South Carolina Henry Grimke a son and sole qualified Executor of the late Mrs. Mary Grimke, in her life time and at the time of her death, a resident of the City aforesaid and aged about 76 years, who being first duly sworn according to law doth on his oath make the following declaration in order to obtain for the children of said Mary Grimke the benefit of the provision made by the act of Congress passed the 7th of July 1838 entitled an act granting half pay and pensions to certain widows -- That his mother the said Mrs. Mary Grimke who departed this life on the 21st day of July 1839 was at the time of her death the widow of the late Honorable John F. Grimke a Colonel in the fourth Regiment of the South Carolina line who entered the service at the beginning of the war as a Lieutenant of Artillery in rose successively through all the stages to the grade of Colonel as aforesaid, all of which will more fully appear by the Documents herewith submitted. That the said Colonel Grimke was present at the battle of Stono [June 20, 1779], at the storming of Savannah [September 16-October 19, 1779] and the Siege of Charleston and, of course, fell into the enemies hands when that City capitulated [Charleston fell to the British on May 12, 1780]. That the service prior to that time in which he was engaged was performed first under General Howe [Robert Howe of North Carolina] & then under General Lincoln [Benjamin Lincoln]. That while a prisoner the British having grossly infringed the terms of the capitulation he the said John F. Grimke considering his parole as at an end escaped and joined the Army of General Green [sic, Nathanael Greene], who approved of his conduct & granted him a detachment with which he returned to Haddrell's Point and in sight of the British in Charleston captured the guard and liberated every American officer then in the hands of the enemy at that post, with a number of whom he returned to General Greene and continued in the service until the close of the war. That the said John F. Grimke, as appears by Moultrie's *History of the Revolution in South Carolina*, joined the Army of General Greene as above stated on or about March 1781, and, in the language of William Read a Surgeon in the Army of the Revolution "did serve throughout the war and terminated a Colonel of a Regiment." That the said John F. Grimke was a native of the City of Charleston and resided there until his death in August 1819.

This Deponent further declares that his mother the said Mary Grimke as appears by the

¹ BLWt888-450 Lt. Col. No date of issue No papers

certificate of the Rev'd Dr Gadsden herewith shown was married to the said John F. Grimke on the 12th day of October 1784 that her husband the aforesaid John F. Grimke died on the 9th day of August in the year above stated. That she was not married to him prior to his leaving the service but that the marriage took place previous to the first day of January 1794 viz. at the time above stated and that she was married a second time but died the widow of the aforesaid John F. Grimke on the 21st day of July 1839 as above mentioned leaving surviving her four sons viz., John, Frederick, Henry and Charles and five daughters viz. Mary, Sarah, Ann, Eliza and Angelina, all of whom are still living.

I have General Lincoln's express request to inform you He does not recollect whether he, or one of his Aids Directed the Letter for you at Mathew's Bluff, but let it be which way it may, it was an intire mistake. I have his Order also to Assure you in the most express terms There is no part of your Conduct come to his Knowledge since you left this, to the present moment, he does not fully approve of -- Your Historical Facts were the last that came to hand of your Letters, I will only observe, they are Curious, but by no means Novel. What will be done in the matter, I know not; but I believe, not much. Tate and I, have been employed in a similar Manner, Maj. Works are at Zubley's, at 3 pieces of Cannon in two Batteries; which will be most useful, I will not pretend to say, but inform, He Outstripes me greatly -- This Moment General Lincoln introduced a Col^l: Laumoy to my acquaintance. He is an Engineer on the Continental Establishment; by him have received a Line from Senf, who I find to be in Charlestown. You will also receive One from him forwarded by this Gentlemen. Rutherford's People, I apprehend are not quit of the Province till the 10 of next Month. Your Mistake if they are sufficient to depend upon that time, is to some in history them, I think there is little probability. Your Letters for Charlestown shall be forwarded in the Morning, on Opportunity for that purpose opportunity offers. I subscribe with regard --

 When I came from Jacksonville
 at the getting of the Genl. Assembly -
 I found Mr. Brackington doing Duty
 in my Regiment under Col. Peter

 joined him two or three days after
 I left the Regiment, to meet the
 General Assembly, since that he
 has done constant Duty, & is nearly
 finished the six Months Duty required
 by Law - I am very clear that his
 name would not been in the comple-

 out & doing duty with us, as some
 others had been left out of that list
 who was in the same circumstances
 I mean to represent Mr. Brackington

Dr. Sir,

I received your letter of inquiry respecting the services of your Father in the Army of the United States. That he did serve throughout the war & terminated Colonel of a Regiment I am certain, & I think that he was made Prisoner of War at the fall of Charleston. I believe likewise that he was one of those paroled at Haddrell's Point-- so prominent & conspicuous a Men as John Faucheraud Grimke must be spoken of in Moultrie's, & other History, to which I would refer you. It is out of my power to say anything of his services. I served at the South in 1776, & to the North until 1780, & knew nothing of this Country except by rapid visits on Army business until General Greene marched into the conquest in 1782 -- Colonel Grimke was a member of the Society of Cincinnati, & is probably further identified by accepting, among a number of others, the compromise with Congress, called commutation -- I am sorry that I cannot be more personally particular respecting your respectable Parent. Colonel Samuel Warren may probably be able to give you something an Army detail. I reply specially that you may have time, & opportunity to refer to Colonel Warren, if necessary.

N. B. Judge Desaussure may give you some useful information.

I am

Dr. Sir

with a high respect
