[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading fails to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call errors or omissions to my attention.]

I am indebted fully upwards of \$120 and there is due to me about \$30 a part of which small sum I will lose owing to the insolvency of individuals us indebted: My occupation is that of a farmer, old age and infirmity has rendered me unable longer to maintain myself and a large helpless family without the assistance of my country. My wife near fifty years of age delicate & often afflicted with pains. My son Osbourn is in his 21st year, will be subject to my commands, not longer than the next summer. My daughter Patsey resides with me and is 18 years old labors for herself, those two heretofore have mainly contributed to my support and that of a large family of children unable to give much assistance, Jeremiah age 14, Spencer aged 12, Fletcher 10, Chloe 8, Munroe 5, Elizabeth an infant.
