[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading fails to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call errors or omissions to my attention.]

State of Kentucky Garrard County Sct. September 21st 1818

This day Thadius Hardwidge Warmath [sic] makes oath that he enlisted as a regular soldier in the Continental Army of the United States on the 13th day of February 1778 for the term of 12 months, in the County of Westmorland and Commonwealth of Virginia under Captain Samuel Coulson [Samuel Colston] and joined the Army at Valley Forge and was attached to a Regiment commanded by Thomas Ghaskins [Thomas Gaskins] but does not recollect the number of the Regiment. We lay at Valley Forge until in June following when Lord Howe moved from Philadelphia, and about the 28th of June was at the battle at Monmouth old courthouse. From Monmouth we went to the White Plains and in the fall we took winter quarters at Middlebrook, and stayed at Middlebrook until about the first of March when I got my discharge. Not knowing that my discharge would be of any use, I cut it up for a shoe pattern. I am 57 years of age and from reduced circumstances and in need of assistance from my country. I never had any pension from my government.

P. W. Harrison a respectable witness makes oath that he knows that the above affidavit is true as to the enlistment and that the above affiant was gone for more than 12 months. I lived a near neighbour [neighbor] to the man that the sd [said] affiant was bound apprentice 2, and heard his master state that he had enlisted about the time, and his mother also. I saw his discharge after his return.
