Pension Application of John Davidson X196                      VA  
Transcribed and annotated by C. Leon Harris.

[The file is not numbered. X196 is a number assigned by HeritageQuest. There is no original document in the file. The following is a transcript of a 15 March 1926 letter responding to an inquiry. The fact that he received a pension in 1794 suggests that he was disabled during the war.]

I have to advise you that from the records of this Bureau it appears that John Davidson served as a Dragoon in [Henry] Lee's Legion, War of the Revolution, and was allowed pension from September 4, 1794 while a resident of Prince Edward County, Virginia, and was later paid at the Kentucky Agency.

There are no papers on file relative to said pensioner, owing to the destruction of such papers when the War Office was burned in 1800 and 1814, and in consequence, there is no further data as to his service and no data as to his family.
