[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indcipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call material errors or omissions to my attention.]

[Note: The contents of this file consists solely of a letter March 20, 1825 which reads in relevant part as follows:

*Madam:*

*I have to advise you that in the report of the Secretary of War in relation to the pension establishment of the United States, on the list of invalid pensioners of Madison County, Virginia, appears the name of Andrew Lewis, a private, pensioned at the rate of \$60 per annum, from September 4, 1793, until the Act of June 7, 1785.*

*There is no further data on file relative to said pensioner owing to the destruction of papers when the War Office was burned in 1818 14.*

*The above noted Andrew Lewis is not the same person as the Andrew Lewis<sup>1</sup>, W.3431, who was pensioned while a resident of Montgomery County Virginia, at the rate of \$35.21 per annum, from March 4<sup>th</sup>, 1831, and whose history is here with enclosed.*
