[From [Library of Virginia Legislative Petitions Digital Collection](#)/ Rockbridge County]

To the Honorable the Legislature of Virginia. The Petition of William Bradley of the County of Rockbridge respectfully sheweth. That in his Youth he entered into the army of the united states & became a Sergeant in the seventh Virginia Regiment. That in the unfortunate action wherein Colo. Abraham Buford was defeated in the State of South Carolina he received thirteen wounds. His Country has not been unmindful of the sufferings of your Petitioner, but some years since granted him a pension of Sixty dollars pr. annum. Your Petitioner being now sixty six years of age, having the charge of a family, and his infirmities increasing from age & the effects of his wounds, finds the pension granted him by the justice of his country inadequate to his support. He therefore humbly prays such a moderate increase of his pension as the Legislature may think reasonable. Your petitioner flatters himself that an enquiry into his character & conduct will not lessen the disposition of the Legislature to extend to him the bounty which he solicits.

A handwritten signature in cursive script, appearing to read "Wm Bradley". The ink is dark and the handwriting is fluid, with some flourishes at the end.

We the subscribers from the information & knowledge we have of the good character of the Petitioner think it just and reasonable that his petition should be granted [49 signatures]
