[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indcipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention.]

[The application indexed under "John Gorland W3011" (sic, see [John Garland W3011](#)) on the Fold3.com site actually is the application of "Archibald Gorman S1204" who, at age 78, filed under the 1832 Act in Fleming County, Kentucky for services rendered when living in Lancaster County, Pennsylvania. Briefly, he says he first entered in September 1776 under Capt. William Porter in the Regiment commanded by Col. Crawford and marched to New Jersey. He then describes other services in the Northern Campaign. His application does not meet the criteria for inclusion in this database, but I've included this reference here so that folks interested in Archibald Gorman can find his application. On the Fold3.com site, it is the application which appears when you click on the listing for "Gorland, John" under the North Carolina index of Rev War pension applications.]
