[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call material errors or omissions to my attention.]

Georgia Marion County

On this the 14<sup>th</sup> day of March in the year 1834 personally appeared in open Court before the Honorable Grigsley E. Thomas Judge of the Superior Courts of the Chattahoochee Circuit now sitting for the County aforesaid Dempsey Baker a resident of the County aforesaid in said State aged nearly Seventy years who being duly sworn according to law doth on his oath make the following declaration in order to obtain the benefit of the act of Congress passed June 7 1832. That he entered the service of the United States in the Summer of 1782, that he joined the service under Captain William Walton, and rendezvoused at Winton in Hertford County where he was attached to Captain Benjamin Bailey's Company under Major Dixon who wrought us to General Green's [Nathanael Greene's] headquarters at Ashley Hill on Ashley River in South Carolina. The company was then broken up, to fill out other companies, and I was attached to Captain Benjamin Carter's Company, under Major Blount [Reading Blount] in Colonel Litle's Archibald Lytle's] Regiment under General Greene, from Ashley Hill we went to James Island near Charleston South Carolina where we stayed till peace was made. I entered the Service for eighteen months as a volunteer, or as a draft was to be made from the company. I entered without a draft, and as it was said in those days, cleared my class of a draft. Peace however being made I was discharged at the end of Twelve months. I received a discharge from Colonel Litle but it is worn out and gone long since. He however subjoins the deposition of Sampson Cofield to prove his services, and corroborate this declaration. I was born in Bertie County North Carolina in May 26 day A.D. 1764 and lived in said County 46 years from whence I moved to Hancock County Georgia from thence to Jasper County from thence to bed County and from thence to Marion County where I have lived twelve months. He hereby relinquishes every claim whatever to a pension or annuity except the present and declares that his name is not on the pension roll of the Agency of any State.

Sworn to & subscribed the day and year aforesaid

S/ Grigsly E. Thomas, Judge

S/ Dempsey Baker

Georgia Marion County: Personally appeared in open Court Sampson Cofield who being duly sworn according to law deposeth and saith that the foregoing declaration of Dempsey Baker so far as it relates to services rendered in the Revolutionary War in behalf of the United States is

correct, and that he was personally cognizant of the same. Sworn to & subscribed this \_\_\_ March 1834

[no indication that this affidavit was actually signed]

[Eliab Jones and Mark Richardson gave the standard supporting affidavit.]

It is proper that a reference is made to Sampson Cofield's testimony, and as his affidavit is not filled up, I should account for it. Mr. Cofield came with the applicant to me to testify to the truth of applicant's statement when he first applied to me to draw up his declaration; I informed him it would be necessary to be at the Superior Court, which would shortly sit in this County when the whole could be regularly authenticated; he however left this state before the court for South or North Carolina, and as he is a [indecipherable word]<sup>1</sup> of wandering old man it is very uncertain when, if ever, he will come back. It is therefore out of the power of Mr. Baker to procure his testimony
