[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call material errors or omissions to my attention.]

State of Missouri, County of Madison

On the 14<sup>th</sup> day of August AD.1832, personally appeared before Thomas Cooper, William Anthony and Anthony Clubb, Justices of the County Court of Madison County, and State of Missouri aforesaid, and now sitting, Isham Harrison, a resident of St. Michael township, in the County of Madison and State of Missouri, aged seventy or seventy two years, who being first duly sworn according to law, doth, on his oath, make the following declaration, in order to obtain the benefit of the act of Congress passed June the 7<sup>th</sup> 1832.

That he entered the service of the United States under the following named officers, and served as herein stated

Said applicant lived in the County of Granville, State of North Carolina, and entered into the Militia service of the United States, under the command of Captain William Gilliam, of Colonel William Moore's Regiment: that a few days subsequent to enrolling, said applicant was appointed Lieutenant of said Company, and served a tour of three months duty, that during said tour, said company marched from Granville to Hillsborough, thence to Salisbury: thence by Charlotte to the Wax Saw [sic, Waxhaw] Creek ; thence to the old nation ford [sic, Nations ford] on the Catawba [River]; thence said company returned; and on their return, between Charlotte and Salisbury, the said company took charge of a body of prisoners consisting of British, Hessians and Tories, and conducted them to Salisbury. Said applicant states that Capt. William Gilliam's Company, to which he belonged, was stationed at New Providence, at the time Col. Washington took Col. Roogely [sic, Rugeley]; and said applicant saw Washington's company marching and returning therefrom. The above tour of duty commenced on the 15<sup>th</sup> day of September 1780, and terminated the 14<sup>th</sup> day of December 1780; as by the Certificate of Wm Moore, for John Butler Brig. Genl., herewith forwarded will appear. Applicant states that as often as three different times, he joined the Militia of the County of Granville, and marched each time in the service, but was not in any engagement during this tour applicant marched to the Old Nation ford on the Catawba [River], to watch the movements of the British. For these services applicant has no written discharge, nor ever had, he was discharged verbally. Applicant believes that the entire period in which he was in actual service, would amount to about six months. Applicant states, that himself and one John Mitchell gave their Bond, dated June 12<sup>th</sup>, 1781, to one George Worph [?] for the penal sum of 230£, in consideration of his becoming a substitute for said applicant and others, for the term of eighteen months; which term the said Marsh served; and applicant, and others paid to him 115£, out of their private funds, and furnished him with clothing. Applicant states that the original discharge and commission are now in the hands of

Col. Alexander Buckner, Senator to Congress, to whom they were forwarded 14<sup>th</sup> day of February 1832, then in Washington City, with a view of obtaining relief from Congress & to whom, if necessary application can be made, and said originals procured. Applicant states that he knows of no person whose testimony he can procure, who can testify to his service.

He hereby relinquishes every claim whatever to a pension or annuity except the present and declares that his name is not on the pension roll of any state.

Sworn to and subscribed the day and year aforesaid.

[State of Missouri, County of Madison]

On this 26<sup>th</sup> day of August A.D. 1833, at a Term of the County Court within and for the County of Madison aforesaid, personally appeared in open court, Isham Harrison, and made the following Declaration in order to amend his original Declaration to obtain a pension.

Said applicant states that he was born in the State of Virginia, and raised in Granville County North Carolina, that at about the age of twenty in the year 1780, he was drafted as a private to supply a militia draft, or call for a draft made in the Militia of said County for three months, and was first mustered into service at Granville, in the company commanded by Captain William Gilliam, in a Regiment or Battalion commanded by Col William Moore, the general officer commanding in that department or part of the country was Brig. Genl John Butler. Not more than three days after applicant was mustered into service he was appointed Lieutenant of said Gilliam's Company, and served said tour and such – a copy of which appointment is herewith forwarded; The services or march during this tour have been noted in the original Declaration; but applicant here adds that during this tour the troops marched to the old nation ford on the Catawba, which appears to be set down as a part of subsequent services in the original declaration.

On the next year, being 1781, and in the month of September, for the purpose of supplying another call for a draft made in the militia of said County for three months, said applicant was again drafted for three months, and was mustered into service, as a private, at Granville courthouse in a company commanded by Captain Elijah Mitchell or Reuben Moss, but which one from the frequent changes applicant does not now, by reason of lapse of time now certainly recollect. The field officers in command were Joseph Taylor and Thos Satterwhite –

Applicant served out his three months in continued duty, consisting in marches throughout the County to suppress the Tories & disaffected, on the expiration of which time applicant was discharged or dismissed verbally. During the tour Cornwallis was taken prisoner. Said applicant removed to this County 1816, and from the great distance he now resides from the place of his services, he cannot know the services of the last three months tour, and his documentary evidence is mentioned in original declaration. His relinquishment is made in original declaration.

And to the interrogatories prescribed by the War department, & put by the Court, the said Isham Harrison answers and says, as follows.

1<sup>st</sup> I was born in the State of Virginia, in the year 1760

2<sup>nd</sup> I have no record of my age, nor ever had. I do not believe there ever was any record made of it.

4<sup>th</sup> I belonged to the Militia which was classed, and there was a call for a draft to be made out of the class to which I belonged, and on that call I was drafted for three months – and on a second call for a draft I was also drafted for three months, and served each day.

5<sup>th</sup> I was acquainted with Capt. William Gilliam, Col William Moore & Genl. John Butler, and also with Cols. Taylor & Satterwhite & am also acquainted with William Anthony & Thos Cooper Justices of this Court, William M. Newberry Clerk of this & the Circuit Courts Micajah Stowe Sheriff, John Matthews Member of the Senate within this State and Theodore F. Long member of the House of Representatives Caleb Cox Justice of the Peace and many other citizens to whom reference can be had to speak respecting my credibility for veracity.

Sworn to and subscribed the day and year aforesaid Test.
