[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading fails to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call errors or omissions to my attention.]

To the Senate and House of Delegates of the Commonwealth of Virginia. The petition of Barbara Miller widow and relic of Daniel Miller deceased humbly Sheweth.

That your petitioner's husband Daniel Miller deceased was a Soldier in the Revolutionary War, and served in Lee's Legion [Henry "Light Horse Harry" Lee's Legion] and under Col. Washington [William Washington] and General Morgan [Daniel Morgan] – that your petitioner's said husband was a poor man, and towards the close of his life was infirm and depended for his support upon a pension of ninety-six dollars per annum which was granted to him by the government of the United States. This pension ceasing at his death left your petitioner at an advanced age destitute of the means of support.

Your petitioner as well as her late husband having been born in Virginia, she humbly casts herself upon the bounty of the Legislature of her native State, and prays that she may be allowed a pension as the widow of a departed Soldier of the revolution, to such an amount as its wisdom may deem just, as a support for her during the short period of her declining years. And your petitioner as in duty bound will ever pray.

Winchester November 1833
