To the Legislature of Virginia

Moses Estes of Spotsylvania respectfully represents.

That he served in the militia in 1780 as a private in Capt. Holladay’s company; and was present at the Battle of Camden [16 Aug 1780], where his cap’n. was killed. That he was only 16 years of age when he was drafted in the militia & owing to the fatigues of the march to S. Carolina & the hardships he endured, he has contracted diseases which wholly or nearly incapacitate him from Labour. That he also served in the militia at the siege of York [28 Sep - 19 Oct 1781]: the whole term of his service being near ten months. That he is old & infirm being by the Rhematism nearly rendered unable to work. That he is poor & has no land or slaves & being a cooper & carpenter, he has only a set of tools: which is all his property.

That he requests the assembly will place him on the pension list at such rate as may be deemed proper.

Decr 1 1819

I Benj. Alsop [Benjamin Alsop S9269], aged 61 years do hereby certify that I was in the Southern army in 1780 where I knew Moses Estis a private in Holladays company. That the sd Estis was very young: that he was a very active & obedient soldier, always showing a disposition to do his duty. I know him to be poor & needy with no other property than his tools: that he is infirm by the Rhematism, which I am inclined to think he got by his exposure to hardship in the army [army] & that I think he is deserving of a pension.

Decr 1, 1819

I do hereby Certify that Moses Estes Marched from the County of Spotsylvania in the year of 1780 to the state of South Carolina as a private Soldier, and was in the battle of [Gen.
