[The following are from rejected claims in the Library of Virginia indexed as Burks, Samuel.]

The deposition of Isham Burks [W9758] taken in the County of Boon [sic: Boone County MO] [several
undeciphered words] day of December 1831 before me Tyre Harris a Justice of the peace in and for the
said County of Boon. The said Isham Burks deposeth & saith that his brother Samuel Burks was [one or
two illegible words] of Virginia at the commencement of the Revolutionary war then of sufficient age to
take up arms in defence of his County that he the said Sam’l. [one or two illegible words] early period of
the war entered or inlisted himself[?] in the Continentlal service under the command of [illegible] Thomas
Posey afterwards Genl. Posey of Fincastle Town in the County of Botetourt state of Virginia and that he
remained in the service of the United States untill the latter [part] of the year 1780 or early in year 1781
before he was discharged part of his time he was commanded Colo Morgan afterwards Gen’l Morgan
[Daniel Morgan BLWt1496-850] and this deponent further saith that he himself being one of the eighteen
months men [drafted from the militia for that period] entered into the same company when the said Sam’l
was then a Sergant and joined the Redgment commanded by Colo Abraham Buford [S46372] and was
attached to Capt Adam Wallices [sic: Adam Wallace BLWt542-300] company and that the said Sam’l
Burks commanded the platoon that the said deponent was in when said Buford was defeated at the
Hanging Rock in South Carolinia [Battle of Waxhaws SC, 29 May 1780] and that the said Sam’l Burks
was at that time a Sergeant and the said deponent remained with said Sam’l in [one or two illegible words]
the U States untill the October before the deponent was discharged from the service. This deponent further
states that he has often heard his brother Sam’l. say that he served six years & three months in the
Revolutionary war and the deponent is almost sure from that that the said Sam’l entered untill his
discharge the [illegible word] time of six years & three months must be correct
In witness whereunto the said deponent has hereunto set his hand & seal date before written
Isham Burks
In its present shape I cannot advise the allowance of this claim. But if it were made to appear that the deponent was without interest in the subject & a respectable man I would feel satisfied to allow it.
